

“The 7 Steps to a Profitable Business”

A seminar for success-oriented business owners and entrepreneurs...

Hundreds of business owners now make more profit, thanks to the coaching programmes and seminars of **The Entrepreneur’s Coach Ltd.**

“Most business owners and their families put up with their businesses running them—they don’t make enough money for the long hours they put in because they don’t leverage their time and knowledge for maximum efficiency and profit,” Says

Gareth Emberton, of The Entrepreneur’s Coach Ltd.

Gareth Emberton is presenting an afternoon seminar at The Rural Enterprise Centre, Battlefield Enterprise Park, Shrewsbury entitled:

“The 7 Steps To a Profitable Business.”

Here are just a few of the ideas Gareth will cover with you during the afternoon session

- ⇒ How to increase your profits by a minimum of 67%
- ⇒ How to motivate, recruit, and retain exceptional employees...
- ⇒ How to work **IN** your business **ON** what you choose instead of **IN** you business **ON** what you have to...
- ⇒ How to get more customers to buy from you
- ⇒ How to systematise your business to provide consistent, exceptional, customer service...
- ⇒ How to take immediate control of the time you... spend at your business...
- ⇒ How to leverage your time, team, and knowledge to maximize efficiency and profits...
- ⇒ How to turn your marketing and advertising into an investment rather than an expense...
- ⇒ How to handle price sensitive customers...
- ⇒ Simple ways to capture thousands of £££ in lost profits...

As a business owner, you owe it to yourself to invest some time to understand how to turn the potential of your business into a reality!

Here’s what clients have had to say...

“Since joining Gareth’s programme I have already seen my turnover increase by 55% in 5 months which has reflected directly to my bottom line. Gareth’s wealth of knowledge and my learning’s from him is also equal to that increase. If you have a business and more importantly an open mind then I would say speak to Gareth and see what he can do for you. Cleaning Business Owner

“I have no hesitation in recommending Gareth Emberton at The Entrepreneurs Coach Ltd. During the time we spent together, Gareth helped me to look at the business from a different perspective and as a result I noticed things which I had overlooked in the past. Gareth motivated me to do things which I would have perhaps not done left to my own devices. The programme helped me to develop and improve the business and, whilst there has been a change in the economy, I have been able to remain optimistic. My business grew 33% whilst my competitors have suffered. More importantly, my lifestyle has changed. I now work 20% less!” Hotel Owner
